

### **Quick Start Instructions**

Giving online is simple. All you need to do is click the appropriate link for you to begin the process. You will be required to create a “login” consisting of your email address\* and a password. If you have never logged into PBC before, please select the “Need A Login” option after clicking on the appropriate link below...

**[If PBC already has your email address, click here or login directly through pbc.me.](#)**

*~ or ~*

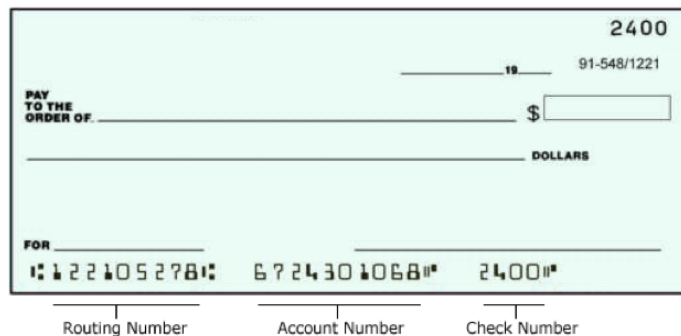

**[If PBC does not have your email address, click here to create a quest login.](#)**

*\*Note: the email address you enter must match the email address on file in the PBC database.*

You may make online contributions by ACH (electronic check), debit card or credit card but the preferred method is by ACH. Credit and debit card transactions cost the church more per transaction.

To setup an ACH electronic check transaction you will need your checking account number and routing/ABA number.

**View this diagram if you are not sure which number is your routing number.**

If you have any questions or encounter problems logging in, contact the church office by phone: 703.978.8160, or email: [churchadmin@parkwood.org](mailto:churchadmin@parkwood.org)
