

Stewardship at PBC

PBC is committed to honoring God's provision by exercising wise and faithful stewardship, ethical business practices, and full accountability to ensure the financial integrity of PBC remains above reproach. We accomplish accountability using a system of internal controls, budgeting and reporting processes. Plus...

- Monthly detailed financial statements are provided to the Stewardship Committee, Treasures, staff and Church Council.
- Quarterly financial statements and a report from the Stewardship Committee are provided at church business meetings.
- Financial Policies are determined by the Stewardship Committee in conjunction with the Treasurer, Assistant Treasurer and staff.
- An annual financial review is performed by an independent public accounting firm.
- Approximately every three years an internal review is conducted by an independent public accounting firm to ensure that PBC's Financial Policies are sound and being followed by the church.
